RUGBY RECORD

BY SAMUEL REILLY-SIGEL

Do you know how much pressure I put on the other team? I am a rugby player. Our team's record is unbeaten in the contest for 11 games. I like playing number 10, it is the first five-eighth position because it is up the front of the field. I scored 69 tries and 500 penalty shots. I am the captain of the team, a lot of reporters ask me questions about rugby. We got into the playoffs! Our arch-rivals are in the playoffs too, we play against them in the second mach. The teams are Highlanders, Hurricanes, Chiefs, Lions and Bulls. We won the trophy for the contest! Some of our team retired and became legends. I did not because I am 21 and you have to be over 21 to retire.

SWEET, I am chosen to be in the ALL BLACKS. I am going to earn \$20 a game. I am in the Rugby World Cup. My friend Dillon Bates is in too and Will also. The first round is us vs Ireland. We win all of our games, the playoffs are coming up! We win the contest!
